

SURF – PRO

TIME SAVER SURFACE CLEANER

TECHNICAL DATA SHEET

Name: **Le SILICONEUR**
Product: Easily removed silicone residue
Code: BO-2015-1

MADE IN CANADA

1.1 PRODUCT DESCRIPTION:

Siliconer is finally the ideal formulation for removing dried and aged silicone residues. Its gel formulation allows uniform application on horizontal and vertical surfaces. It is safe to use and does not damage fragile surfaces such as acrylic or plexiglass.

1.2 USES:

- Interior Exterior
- Wood, acrylic, vinyl, glass, plexiglass, ceramic, chrome, brick, cement
- Ideal for baths and showers
- Removes silicone but also thermoplastic sealant

1.3 CHARACTERISTIC:

- Acts in 30 minutes
- Easy and safe to use
- Easy to clean with water
- Practically odorless
- Removes dry and wet residues

1.4 RESTRICTIONS:

- Always test on a hidden part because some plastics could be damaged.
- Avoid applying on latex paints.

1.5 GUARANTEE: The high quality of this product is guarantee under the descriptions available on this technical data sheet and the labels. the manufacturer guarantee is limited only on the quality of the product and to the refund price of it. this product will give total satisfaction if store and utilised in conformity with the manufacturer directives.

JP'S TIPS:

TECHNICAL INFORMATION

- 2.1 Chemical composition:** Light treated hydro solvent semi-gel.
- 2.2 Container size:** 100ml, UPC code 775115020150
- 2.3 Appearance:** Clear gel liquid with solvent odor
- 2.4 Storage:** Stored in a dry and ventilated place. Avoid excessive heat.
- 2.5 Physical and chemical properties:**
- Boiling Point: 155 to 230
 - Freezing Point: Not determined
 - Water solubility: Negligible

APPLICATION PROCEDURES

- 3.1 Instructions for use:** Surface preparation for easy and fast performance: It is mandatory to remove the old silicone as close as possible to the surface.
- 3.2 Application instructions:** Apply the Siliconer on the residues and let act 30 minutes. A second application might be necessary. To finish rinse with soapy water and make sure the surface is completely dry before applying the new silicone. Wear gloves and goggles.

SAFETY MEASURES:

- PRECAUTIONS:** Keep out of reach of children. May cause slight eye irritations. Avoid contact with eyes. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
- FIRST AIDS:** If in eyes, rinse the affected areas with water. If swallowed, drink water and call a doctor.
