BUTCHER BLOCK OIL & CONDITIONER

PE700844

DESCRIPTION

Packaging: 500 ml

Passeport Élite Butcher Block Oil & Conditioner cleans and seals all types of wooden cutting boards, utensils and bowls. This product protects against stains, drying and cracking. It is 100% made from pure and natural mineral oil, and is certified safe for food preparation.

Wooden butcher blocks and cutting boards wear out and become dry when used and washed frequently. Thanks to its easy wipe-on application, this penetrating oil enhances the appearance of wood while also protecting it. This product is colourless and will not affect the taste of your food.

Surfaces must be clean, dry and free of dust, dirt or other contamination.

APPLICATION

Stir for 15 to 20 seconds. Do not thin. Apply with a soft cloth or cotton rag. Let it soak in for 5 to 10 minutes. Wipe off the excess. Let dry for 6 to 8 hours. At least two coats are recommended when applying to bare wood.

NOTE: The drying time is calculated for well-ventilated environments, with a temperature of 25°C (77°F) and a relative humidity of 50%. Lack of ventilation, a lower temperature or a higher level of humidity will extend the drying time.

MAINTENANCE

Periodically reapply Passeport Élite Butcher Block Oil & Conditioner to prevent wood dryness and extend the beauty of the finish.
